## TEAMBUILDING WORKSHOPS AT THE CENTER FOR BOOK ARTS

The Center for Book Arts offers teambuilding workshops to creative organizations seeking to strengthen connection, communication, and collaboration among employees. Taught by one of the Center's dedicated Teaching Artists, groups will be led through a 2 to 3 hour bookmaking or printing press workshop, learning the fundamentals of these art forms. Each workshop will result in a team-created, unique work of art.

## WHO WE ARE

The Center for Book Arts is dedicated to exploring and cultivating contemporary aesthetic interpretations of the book as an art object, while preserving the traditional practices of the art of the book. The Center seeks to facilitate communication between the book arts community and the larger spheres of contemporary art and literature through exhibitions, classes, public programming, literary presentations, opportunities for artists and writers, publications, and collecting.

## OUR LOCATION

The Center is an energy-filled, active artist workspace, conveniently located in the heart of NYC's Flatiron District. Participants will get a chance to work alongside practicing artists while creating their team project!
